**Update to League Notifications Dated 14.06.2025 and 21.06.2025 – Player Eligibility Requirement**

With reference to the notifications issued on **14.06.2025** and **21.06.2025** regarding the **mandatory requirement** for A Division teams to field a minimum of **two (2) Ranji Trophy players** and **three (3) players who have represented the state in various BCCI tournaments**, the following update is being issued based on practical constraints brought to our notice:

Several team representatives have informed that many Ranji Trophy players have either **already committed to specific clubs** or are currently **engaged in BCCI tournaments or coaching assignments**, thereby making it challenging for all clubs to meet the stipulated criteria.

In light of these genuine concerns and in order to maintain fairness and competitive balance, it has been decided that:

**Teams that are unable to field the required number of Ranji Trophy players may substitute them with players who have represented the state in other BCCI tournaments** (e.g., Under-25, Under-23, Under-19, etc.), subject to verification by the HCA.

This update shall be deemed part of the league regulations and may be read in conjunction with the earlier notifications.
