HCA Announces Regional Cricket Coaching Camps at Karimnagar and Mahabubnagar.

Hyderabad, 10 October 2026

The Hyderabad Cricket Association (HCA), in association with **the Karimnagar District Cricket Association** and the **Mahabubnagar District Cricket Association**, is establishing two Regional Cricket Coaching Camps at **Karimnagar** and **Mahabubnagar** to strengthen **grassroots cricket development** across Telangana.

The coaching camp at Karimnagar will serve as the North Telangana Hub, while the camp at Mahabubnagar will serve as the South Telangana Hub.

These **year-round coaching camps** will provide talented cricketers from various districts, across all age groups in men's and women's cricket, with professional coaching, modern training facilities, fitness and physiotherapy support, video analysis and specialized training programmes.

The initiative aims to identify and nurture emerging talent, provide equal opportunities to district-level players and strengthen the pathway for selection to state and national cricket teams.

Through these regional coaching camps, HCA reaffirms its commitment to decentralizing cricket development and taking quality coaching closer to talented players across Telangana.
