PRESS STATEMENT/ RELEASE

T20I, Today at 4:00 PM

Hyderabad | 12 October 2026

The Hyderabad Cricket Association (HCA) will be conducting a **Joint Press Meet with the Police Department Today, 12th October 2026 at 4:00 PM** in connection with the upcoming **4th T20 International between India and West Indies**, scheduled to be played on **14 October 2026 at the Rajiv Gandhi International Stadium, Hyderabad. The match is scheduled to commence at 7:00 PM.**

The Joint Press Meet will be conducted by **Smt. B. Sumathi, IPS, Commissioner of Police, Malkajgiri Commissionerate**, along with senior officials of the Police Department and the Hyderabad Cricket Association.

The purpose of the meeting is to brief the media and the public on the arrangements being made for the smooth and orderly conduct of the International T20I, including security arrangements, traffic management, spectator entry and movement, parking arrangements, access protocols, crowd management and coordination between the Police Department, HCA and other concerned agencies.

The Hyderabad Cricket Association is working in close coordination with the Police Department and all relevant authorities to ensure that the necessary arrangements are put in place for the match and that spectators, players, officials, media personnel and other stakeholders are provided with a safe and well-organised match-day environment.

The HCA appreciates the continued support and cooperation of the Police Department and all concerned government departments and agencies in facilitating the successful conduct of international cricket in Hyderabad.

The Association also requests spectators and the public to cooperate with the Police Department and HCA officials, follow the prescribed entry and security protocols, and make use of the designated routes, parking facilities and entry gates as communicated by the authorities.

The HCA looks forward to welcoming the India and West Indies teams to Hyderabad and to hosting another International T20I at the Rajiv Gandhi International Stadium.
